

How to Use "UTokyo Article Link"

Click "UTokyo Article Link" in a case where you cannot find the link to the full text after searching the database. "UTokyo Article Link" is a service which searches for that article on e-journals available at the University of Tokyo and the UTokyo OPAC.

The website providing full text opens via UTokyo Article Link.

 *3 services require advance application
 【Application form for the MyOPAC delivery request service】at your department library

Copy Journals can be delivered from other campuses. Click to go to the request page.

PDF A PDF file containing the requested pages can be viewed on-campus. Click to go to the request page.

Copy/Borrow from other univ. You can request the delivery from other universities.

★ For journals, check the volume and issue that the library holds.
 ("Year" does not mean the all range of holdings)

example 1:

65-83

→The library holds all issues from vol. (or issue) 65 to vol. (or issue) 83.

example 2:

65(1-2),66-83

→The library holds vol. 65 issue 1-2 (does not hold issue 3 or later) and all issues from vol. 66 to vol. 83.

Both examples display "1981-1999" on "Year."
