■ **If the book is not held at UT:**

If the University of Tokyo Library doesn't have the books or journals you need, **Switch the tab to "Webcat"**, now books and journals held by other universities can be searched.

Example Search for the location of a book called **"The accent of success : a practical guide for international students in U.S. colleges"**

(* This page is displayed after logging in to MyOPAC.)

■ **To request documents or photocopies of materials held by other universities:**

⇒ You can print the search results page, or take the NCID and other necessary information to your department library.

Applying over the internet for delivery is also possible. To do this, click the "Copy/Borrow" button.

■ **Inquiries about the use of UT OPAC, library holdings, document searches, etc.:**

⇒ Click "ASK" on the OPAC menu bar to go to ASK Service, or contact the library of your department.

Locating a specific journal article

2 Let's try to search for this article cited in a bibliographical reference list.

Bothner, Matthew S., Edward B. Smith and Harrison C. White. 2010.
 (Author of article) (Year)
"A Model of Robust Positions in Social Networks."
 (Title of article)
The American Journal of Sociology 116(3): pp. 943-92
 (Title of journal) (vol. no.) (Page numbers)

■Step 1: Finding articles with E-journals by using UT OPAC

- ① Enter the journal title, and click "Search".
- ② On the search results page, click the journal title.
- ③ Leads to the E-JOURNAL PORTAL page. Click the database name featuring this e-journal. (Pay attention to the publication date.)
- ④ The database homepage opens.
- ⑤ You can access the relevant volume/number or search for the article.
- ⑥ Click "PDF" and view the full text of the article.

See: "Hints on locating documents③"

【Hints】
Abbreviated forms can be entered as they are.

【OPAC search results page】 (Select a journal name with "E-Journal" displayed below.)

【Hints】
Setting the right-hand "Refine Your Search" to "E-Journal" is effective in refining the search.

【E-JOURNAL PORTAL search results page】

Pay attention to the publication date.

【publisher websites providing E-journals】

■Step 2: If the E-journal you are looking for is not listed in UT OPAC

⇒ **Database of electronic journals available in the University of Tokyo**

[Campus Only]GACoS [Quick Link to Database] ⇒http://ejournal.dl.itc.u-tokyo.ac.jp/index_e.html

■Step 3: When not available as an E-Journal

⇒ Search for paper journals by using **UT OPAC**
